About Us

Our Vision

Our Vision

To be the leading name in Saudi Arabia's customs clearance and logistics sector delivering services that go beyond expectations and strengthen our reputation as a dependable and professional logistics partner.

Our Mission

To provide integrated customs and logistics solutions that ensure our clients a seamless, fast, and reliable experience in alignment with the goals of Saudi Vision 2030 to advance the logistics industry.

Our Mission

Our Values

Professionalism:
We uphold high operational standards at every stage.

Reliability:
We honor our commitments and deliver on every promise.

Transparency:
Clear, honest communication builds lasting trust.

Customer Satisfaction:
Our clients' trust is our greatest success.

Continuous Development:
We constantly adopt modern technologies to enhance our performance and precision.

Our Values

Our Services

At Abdullah Sulaiman Al-Dhibani Al-Howaiti Establishment, we deliver comprehensive shipping and logistics solutions covering all your needs inside and outside the Kingdom. Our team ensures safe, fast, and accurate transport by land, sea, or air supported by expert customs clearance for smooth, hassle-free operations.

- Customs Clearance
- Land Transportation
- Sea Transportation
- Sea Freight
- Air Freight
- Transshipment Clearance
- Transit Clearance

1

Customs Clearance

We provide comprehensive customs clearance services covering all types of shipments (Import – Export – Transit).
Our experienced team is fully familiar with Saudi and GCC customs regulations, ensuring fast and efficient clearance.
We work closely with port and border authorities to minimize delays, streamline document handling, and guarantee a smooth cargo flow without interruptions.

Customs Clearance

2

Land Transportation

We offer reliable land transportation services across the Kingdom of Saudi Arabia, GCC countries, and neighboring regions.
Our modern fleet is equipped with real-time tracking systems to ensure cargo safety and on-time delivery.
We also provide customized transport solutions, including dry and refrigerated transport, to meet the needs of both commercial and industrial shipments.

Land Transportation

3

Sea Transportation

We deliver efficient sea transport solutions through a wide network of regional and international ports, serving both commercial shipments and large-scale projects.
Our services cover the entire process from cargo pickup, loading, documentation, and insurance to final delivery while maintaining strict compliance with international maritime safety standards.

Sea Transportation

4

Sea Freight

We provide integrated sea freight services, including Full Container Load (FCL) and Less than Container Load (LCL) shipments, depending on the size and nature of the cargo. Through our trusted global logistics partners, we manage shipments to and from major ports worldwide with high efficiency, offering professional packaging and full insurance coverage until delivery.

Sea Freight

Air Freight

5

We provide comprehensive air freight solutions through an extensive network of global airlines to meet our clients' needs in transporting sensitive or urgent cargo with maximum speed. Our services include express, standard, and economy shipping options, supported by professional packaging, full insurance coverage, and real-time tracking to ensure safe and efficient delivery to the final destination.

Air Freight

Transit Clearance Service

6

We provide comprehensive transit customs clearance services to facilitate the smooth movement of goods passing through multiple countries via Saudi Arabia's ports. Our specialized team ensures fast processing, seamless cargo flow, and the integrity of seals and shipments throughout their journey, with real-time tracking to guarantee safe and efficient delivery.

Transit Clearance Service

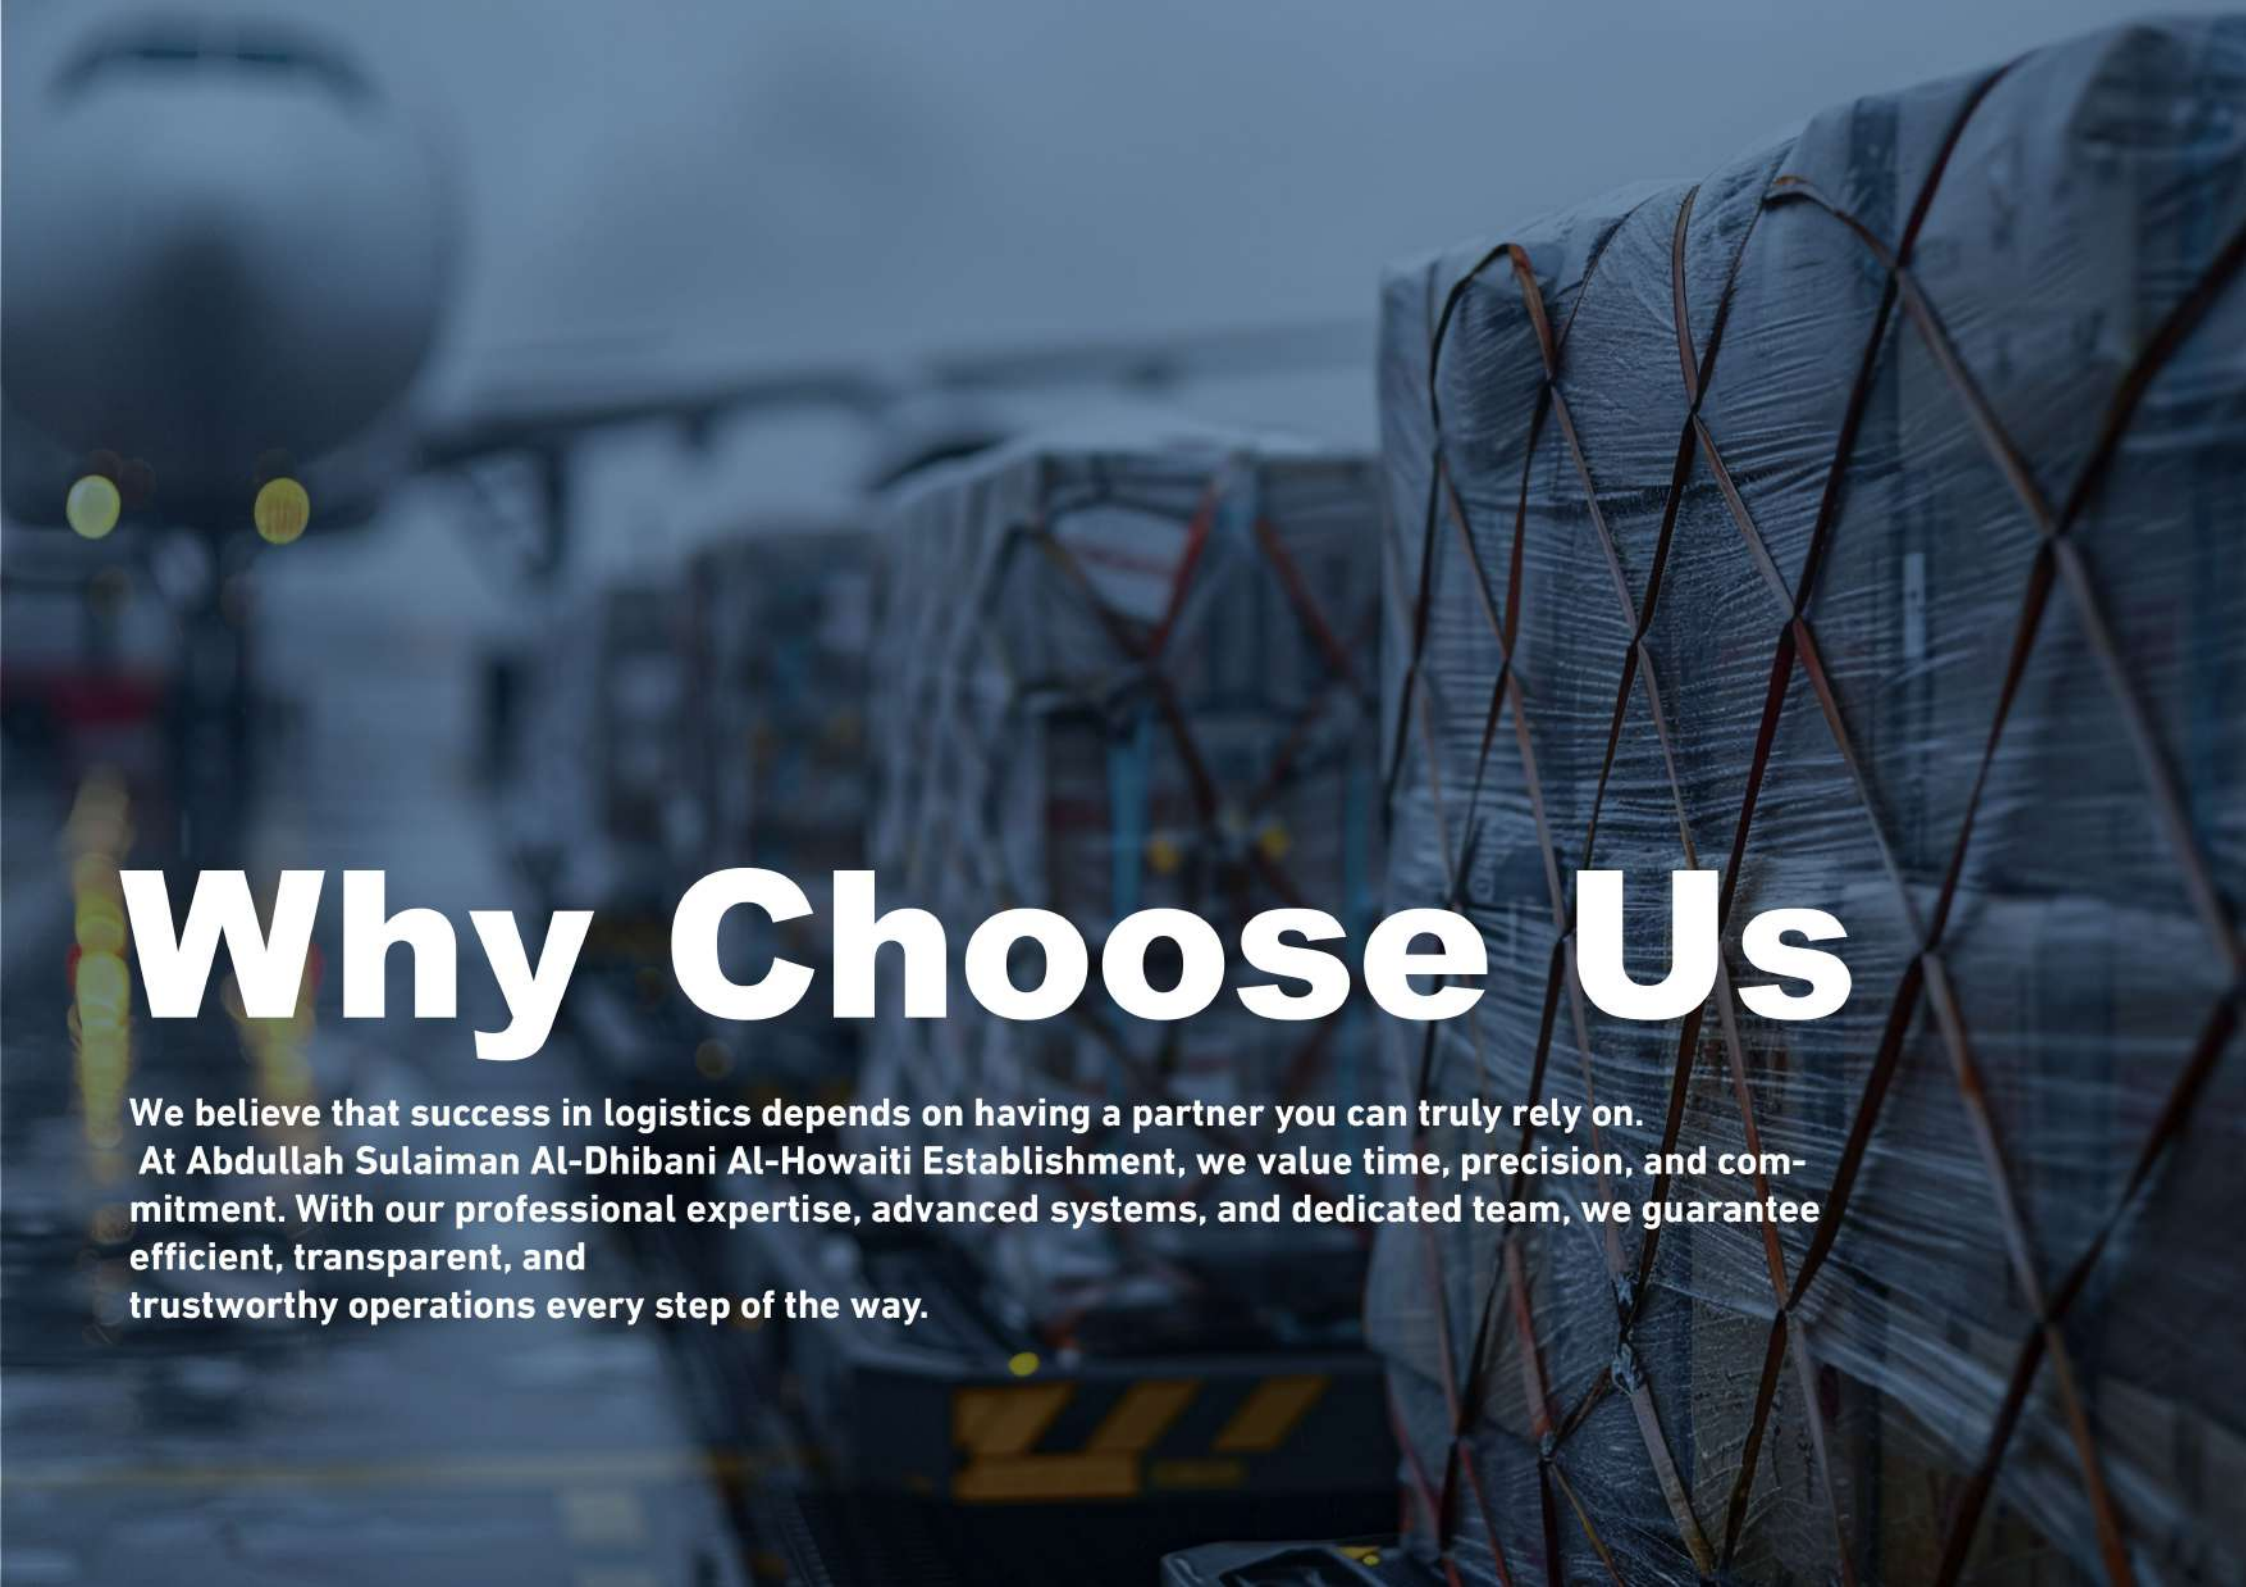

7

Transshipment (Musafnah) Clearance

We offer integrated transshipment solutions for cargo arriving and departing by sea through Jeddah Islamic Port. Our team handles all customs and logistical procedures with high efficiency, ensuring shipments are transferred to their final destination with ease, speed, and complete reliability, following the highest industry standards.

Transshipment (Musafnah) Clearance
